Assistant Finance Manager, Accounting

Assistant Manager Position Available Within an MNC (Retail Beauty)

Your new company

This multinational company is one of the leading retail beauty brands in the world. They are known for being customer-centric and committed to creating sustainable and high-quality products and services. Their office is based in Kuala Lumpur. Due to market growth, a new headcount for an Assistance Finance Manager is needed to join the team.

Your new role

Your new role will require you to:

Assist with coordination of period-end closing activities in compliance with statutory requirements.

Review journal entries for company accounts ensuring information is accurate and up to date, including deferred taxation

Reconcile balance sheet and income statements; research more complex discrepancies and determine the appropriate course of action

Develops and improve spreadsheets for account analysis and journal entries to keep records organised and standardised

You will also be involved in ensuring strong internal controls and overseeing improvements within the team.

Participate in system updates and internal control activities.

You will also be working with external and internal audit teams for yearly audit planning and managing relevant requests / queries related to the audit.

Manage enquiries from tax consultants, bankers and statutory boards.

Responsible for staff (Travel & Expenditure) claims, which includes reviewing and approving the claims before reimbursements

What you'll need to succeed

You will need to have: -

A bachelor's degree in accountancy and finance or any related field.

Have audit and taxation experience

Minimum 5 years of work experience in retail / FMCG or a shared service environment

What you'll get in return

21 days of Annual Leave

Attractive Performance Bonus

Fixed Bonus

Fantastic exposure to a well-established company
