Assistant Finance Manager - Putrajaya

A Manufacturing Company is Looking for an Assistant Finance Manager (Based in Putrajaya)

Your new company

This manufacturing company provides excellent products & services in various industries, including Marine, Oil & Gas, Energy & other heavy industrial sectors. Due to an expansion, an Assistant Finance Manager position has been created to support the business.

Your new role

Being one of the key people in finance, you will be in charge of:

Assist in the preparation of monthly, quarterly, and annual financial management reports for the group, which includes analysis and projections of financial statements

Analyse financial variances and trends to provide insights into business performance.

Contribute to the development and monitoring of budgetary processes.

Collaborate with various departments to gather necessary information for accurate forecasting.

Support the consolidation of financial statements for the group.

What you'll need to succeed

In order to be successful in this position, you need to be:

A minimum Bachelor's degree in Accounting or Finance, with Professional qualification (ACCA, CPA, CIMA, etc.) is highly desirable.

Must be familiar with FP&A, e.g: cash flow project, budgeting & forecasting

Well adept at general accounting & bookkeeping

Previous experience in accounting within the oil and gas industry is preferred.

Strong knowledge of financial reporting standards and regulations.

What you'll get in return

In return for your contribution, you will receive:

Remuneration package up to 120000 per annum

Career development into a managerial position.

Be a part of a growing industry - O&G

Be involved in various projects and taking ownership
