Associate Director, Solution Integration

Associate Director role for a world renowned pharmaceutical corporation based in Selangor

Your new company

This organisation is globally recognised for their pharmaceutical products and solutions that touch millions of households worldwide. They are currently looking to integrate multiple technology solutions in line with their digital transformation roadmap, and are looking for an IT professional to join their Solution Integration team here in Selangor.

Your new role

You will be in charge of ensuring that the delivery of the applications are rolled out in a smooth manner. You will work closely with various strategists to implement solutions that will add value to the company's operations. You will need to rely on your strong business acumen to propose new solutions in the realms of mobile apps, digital platforms and more that will drive business in the right direction.

What you'll need to succeed

To succeed, you'll need to have:

Experience in managing large scale application projects

Solid track record at integrating different systems together

Strong business acumen and stakeholder management

What you'll get in return

You'll be offered a competitive salary package, and a unique platform to work with the people in

the industry to build long-term career opportunities. This is an exciting opportunity to work for an industry leading company which allows you to make a real impression and discover how valuable you are. Besides, you'll enjoy a dynamic and stimulating fast-paced environment with a team of bright professionals supporting you.
