Front-End Developer (React)

Are you a React expert? Join this health-tech company, based in Petaling Jaya!

Your new company

Are you a talented React Developer with a strong passion for creating innovative solutions? Interested in working on a wide array of projects? This Health-Tech company is the place for you! You'll have exposure to the ever-stable healthcare industry, with a good leadership team.

Your new role

Design, develop, and implement new features for software applications.

Involved in the whole Software Development Lifecycle.

Collaborate with a strong team of professional developers.

What you'll need to succeed

At least 3 years of outstanding programming skills on React.

Strong analytical and problem-solving skills, with an open mind to embrace new challenges.

Firm understanding and hands-on experience in the whole Software Development Lifecycle, from planning to deployment.

What you'll get in return

Attractive remuneration packages!

Exposure to exciting projects and new technology.

Excellent career progression opportunities.
