## Managing Director

A global pumps manufacturer is on the lookout for a SEA Managing Director

### Your new company

An established pump manufacturer with a global footprint across multiple regions is on the lookout for an experienced Managing Director to kick start their business here in the region.

### Your new role

Oversee overall commercial aspects and operations to insure production efficiency, quality, service, and cost-effective management of resources.

Develop and ensure effective implementation of the department's strategies, policies and practices.

Ensure the smooth and efficient operations of the Group's strategic direction.

### What you'll need to succeed

10-15 years of P&L management with a proven track record in developing a business.

Highly meticulous and strong administrative personnel

Excellent command of written and spoken in English and able to communicate confidently with shareholders in larger groups

COMPULSORY to have pumps experience

### What you'll get in return

You will be rewarded with an opportunity to work in an established organization, equipped with steep learning curve and attractive remuneration package.
